

## RESERVATION OF ACCOMMODATION

We offer to all exhibitors a possibility of accommodation reservation. Based on your order we will reserve for you accommodation in the nearest locality of Brno fairground and documents for accommodation sent to you by post will be signed already by you. Providing reservations in the scope of the fair Green World we faced a lack of free places for the reason of other actions organized at the Brno fairground. Therefore we ask you to not let reservation until the last minute.

Thank you for your understanding
